Goat-Chan Discord Bot - Privacy Policy

This Privacy Policy governs the manner in which Goat-Chan Discord Bot ("the Bot" or "we") collects, uses, maintains, and discloses information collected from users ("User" or "you") of the Bot. This privacy policy applies to the Bot and all services offered by it.

1. Information We Collect

The Bot may collect certain information from Users during the course of its operation. The types of information we collect include:

1.1. Discord User Data: The Bot may collect and store data related to your Discord account, such as your username, user ID, and avatar, to identify and interact with you effectively on the Discord platform.

1.2. Server Data: When you add the Bot to your Discord server, the Bot may collect and store information related to that server, such as server ID, server name, and server settings. This information is used to provide the Bot's services within your server.

1.3. Bot Usage Data: The Bot may collect usage data, such as commands used, timestamps, and interactions, for improving the Bot's performance and user experience.

2. How We Use Collected Information

We use the collected information for the following purposes:

2.1. To Provide and Improve Services: The information collected is used to provide and maintain the Bot's functionality and enhance its features and performance.

2.2. To Personalize User Experience: We may use information in the aggregate to understand how our Users as a group use the Bot and its services.

3. Data Sharing and Disclosure

We do not sell, trade, or rent Users' personal identification information to others. We may share generic aggregated demographic information not linked to any personal identification information regarding Users with our business partners, trusted affiliates, and advertisers for the purposes outlined above.

4. Data Security

We adopt appropriate data collection, storage, and processing practices, and security measures to protect against unauthorized access, alteration, disclosure, or destruction of your personal information, username, password, transaction information, and data stored on the Bot.

5. Third-Party Services

The Bot may use third-party services to facilitate its operation and provide specific features. These third-party services have their privacy policies governing how they collect, use, and disclose information. We encourage Users to review the privacy policies of these services.

6. Changes to this Privacy Policy

We may update this privacy policy at any time. When we do, we will post a notification on the Bot's website or Discord server. You acknowledge and agree that it is your responsibility to review this privacy policy periodically and become aware of modifications.

7. Your Acceptance of These Terms

By using the Bot, you signify your acceptance of this policy. If you do not agree to this policy, please do not use the Bot. Your continued use of the Bot following the posting of changes to this policy will be deemed your acceptance of those changes.

8. Contact Us

If you have any questions about this Privacy Policy, the practices of the Bot, or your dealings with the Bot, please contact us at goatchanbot@gmail.com or via [support server](#).
